

MyPowerCart®

MyPowerCart® – UVC Series

UV-C Sterilizing, Charging & Sync for iPad, Android Tablets & Laptops

MPC-UV60

MPC-UV30~48

MPC-UV80

NOT Only Charging BUT Also UV Sterilization (killing germs & bacteria) which makes your tablet safer to use!

iOS

e.g. Apple iPad, iPad mini, iPad Air, iPad Pro

Android

e.g. Samsung Galaxy Tab

Laptop

e.g. Chromebook, Microsoft Surface

Disinfection

UV-C germicidal radiation at 254 nanometers

SMART Power Management

Prolongs battery life

Key & Lock Doors

For Security, Protect your device

Specifications

Capacity	30	36	40	48	60	80
Cart Dimension(mm)	650*620*1150	700*620*1150	650*620*1400	700*620*1400	810*620*1400	910*550*1303
Slot Dimension(mm)	32*380*250	30*380*250	32*380*250	30*380*250	32*390*250	29*323*224
UVC Lamp	6	6	8	8	8	8
UV Automatic Off	Yes, while the door open to protect human skin and eye					
Power	Input: AC100-240V, 50/60Hz, Power Management, Leakage Protection					
Frame	4 wheels with brake, Mechanical Lock & Key, Metal Door					
Certifications	CE					
Warranty	3 year warranty for frame, 1 year warranty for electronic component & Firmware Update					

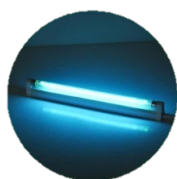

P/N(USB-A Version)	MPC-UV30A	MPC-UV36A	MPC-UV40A	MPC-UV48A	MPC-UV60A	MPC-UV80A
USB Port (5V, 2A)	30	36	40	48	60	80
Support Sync	Yes, iOS & Android (provide connection only, no software)					

P/N(USB-C Version)	MPC-UV30C	MPC-UV36C	MPC-UV40C	MPC-UV48C	MPC-UV60C	-
USB Port (20W)	30	36	40	48	60	-

P/N(USB-C Version)	MPC-UV30CH	MPC-UV36CH	-	-	-	-
USB Port (45W)	30	36	-	-	-	-

P/N (AC Socket)	MPC-UV30AC	MPC-UV36AC	MPC-UV40AC	MPC-UV48AC	MPC-UV60	-
USB Port (5V, 2A)	-	-	-	-	30 (Sync)	-
AC Socket (No LED)	30	36	40	48	30	-

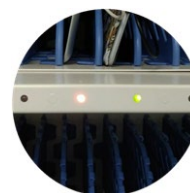

P/N(USB Cable)	USB-A-1M-L	USB-A-1M-C	USB-C-1M-L	USB-C-1M-C
USB Cable (1M)	Type-A to lightning	Type-A to Type-C	Type-C to lightning	Type-C to Type-C

UVC germicidal radiation at 254 nm with light reflection design which provides better sterilization result

UVC Lamp with automatic Off feature while the door closed to protect human skin and eye

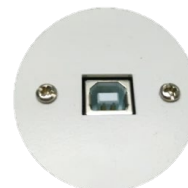

LED indicator designed in front of the slot which facilitate the power status monitoring

Timer design for power shut down automatically

Wide Slot Dimension which support any version of iPad with thick protection case

USB Sync Port placed on the top of the Cart which convenient for Sync
